QUINTESSENTIAL COUNTRY HOME

Originally homesteaded in the late 1800's, Orchard Glen Cottage (circa 2004) finds its footing in modern times through a layout that encourages a simple way of living; comfortable light-filled spaces that maintain clear focus in the face of convention. The 12 acre property has been in the family for generations making it one of the Island's longest settled homesteads. Heritage fruit trees, open lawns and mixed woods dot the property and Blackburn Creek pleasantly meanders its course through the wooded glen. Design may move with the times, but the fundamental values of country living never change. Come settle into a beautiful country lifestyle in the Cranberry Valley.
